Thank You for your continued support

April, we have been busy reaching out to local businesses and partnering with them to provide QPR training.

A key priority that Grace For 2 Brothers is working on, is getting QPR training to local bars. This will go hand in hand with the TIPS training that they will receive. After the training they will be able to see the signs and act accordingly to help individuals who walk into their bars.

Grace For 2 Brothers has been partnering with other local agencies, like Safe2Tell Wyoming, CRMC, and others to build a strategic plan and implementation process to help with the prevention and education of suicide idealization and prevention.

Grace will be attending two amazing events in April

April 22nd, 2019 from 12pm to 5pm Am Vets Post 10 for their Operation Zero. Come Join or if you would like to volunteer please contact us.

April 22nd 2019 from 11am to 2pm at The University of Wyoming for their Out of Darkness Campus Walk. Come join or if you would like to volunteer please contact us.

QPR and More

Question, Persuade, Refer. We have been continuing to train local businesses as well as partnering with the Boys & Girls Club Teen Center to make sure that QPR Training hits all ages and demographics. QPR is essential to helping those see the signs, be able to ask those question and help their friends and loved ones find the resources they need.
